4606 PARK LANE: A LEGEND RETURNS

Some homes make an impression; 4606 Park Lane made history. Once host to presidents and luminaries, this storied Dallas estate returns after an extraordinary transformation, reimagined for a new era of livable grandeur. Set on 3.2 acres in Preston Hollow, the 20,928-square-foot masterpiece blends timeless craftsmanship with modern innovation, thoughtfully redefined to a new standard of luxury.

Inside, a checkerboard marble entryway sets the tone for the home's striking aesthetic. The Great Room soars with 23-foot ceilings, leading to an entertaining wing designed for hosting on a grand scale. A glass-ceilinged conservatory and a barrel-vaulted banquet hall provide stunning backdrops for any affair, while a dramatic, Art Deco-inspired bar ensures an unforgettable event.

While an entertainer's dream, the estate is equally suited for private life. A chef's kitchen with a separate butler's kitchen, a temperature-controlled wine room, and a refined library offer sanctuaries for daily living. The primary wing is a tranquil retreat, where the bedroom with its Jamb fireplace opens to a glass oval sitting room. The showpiece bath features a sculptural brass tub and a dry sauna, while a

two-room dressing suite and private glam room are designed to showcase couture collections.

The upper level, accessed by a grand staircase or private elevator, houses thoughtful guest suites, a loft, and purpose-driven spaces including a pilates studio. Outside, gaslit pathways connect the residence to its surroundings, which include a four-car garage and a private gym. A host to legends and a rare architectural masterpiece, this is more than a home—it is a place to make history. For the discerning few, your moment has arrived.
