4 Bedroom, 2.00 Bathroom, 3,261 sqft
Residential on 1368.00 Acres

A Stokes, Milford, TX

This is more than a home; this is a quintessential Texas estate! When you visit this expansive 1,368± acres, you'll find it all, a family home, grazing pastures, cultivated farmland, hay fields, barns, stock ponds and woodlands. The family homestead is secluded in a treed area with privacy from the road featuring 4 bedrooms, 2 full bathrooms and a two-vehicle garage. Over generations, this estate was created by an assemblage of individual tracts of contiguous land fronting Lowell Rd, Cosby Rd, and Majors Rd with multiple points of access and thousands of feet of frontage. Mill Creek winds through the heart of the ranch and serves as a corridor for deer and native wildlife, offering hunting and recreational activities in the heavily wooded areas where mature pecan tree groves and various hardwood trees reside. Most of the north side of the property is cultivated farmland, the center is wooded creek, and the south side is primarily fenced grazing pastures with stock ponds, barns and cattle pens. The precise configuration and use of land may adjust from year to year. This opportunity offers something for all who appreciates traditional farming, ranching and recreation—making it a true North Texas gem. The Land ID profile is available upon request offering additional details about how these properties are assembled and their respective boundaries. The new boundary survey is in the works and is expected to be available for review by the middle of

November. For information about the land, farming and ranch please visit MLS # 21096774.
